ANNEXURE - I.

STATEMENT OF IMPUTATIONS AND MISCONUDCT OR MISBEHAVIOUR IN SUPPORT OF ARTICLE OF CHARGES FRAMED AGAINST SRI T.SRI SAI, FOREST RANGE OFFICER, WLM RANGE, RAMPACHODAVARAM, FORMERLY I/c WLM RANGE, KAKINADA, WLM DIVISION, RAJAMAHENDRAVARAM OF RAJAMAHENDRAVARAM CIRCLE FROM 20.07.2017 TO 18.01.2018.

ARTICLE OF CHARGE :

"That he had shown gross negligence in duties by slack supervision of community based Eco-tourism activities and allowed the tourism Boats without registration from the Executive Engineer, Dowleswaram at the cost of safety of the Tourists at Community based Eco- tourism at Coringa Mada Forest, Coringa (V), Tallarevu (M), and that **he allowed a private Boat at EDC without obtaining any permission from the higher authorities and also the Forest Range officer, i/c. Coringa WLM Range, Kakinada** has failed to restrict the EDC authorities from allowing tourists on Jet Ski which was brought for the purpose of trial run.

Basis of the charge: -

In the light of the boat accident which occurred at Ferry Ghat, PavitraSangamam, Vijayawada, the V&E officials along with Revenue officials conducted surprise inspections at all boating points to verify the fitness, registration of the boats and safety measures being taken in the boats in East Godavari District viz., Coringa Wildlife Eco Tourism, Bhupathipalem Reservoir, Pattiseema Tourist Spot, Devipatnam, PushkarGhat, PadmavathiGhat and SaraswathiGhat on difference dates i.e., 15.11.2017, 19.11.2017 and 21.12.2017 and noticed the following irregularities at community based Eco Tourism at Coringa Mada Forest, Coringa (V), Tallarevu (M) under the control of Wildlife Management Division, Rajahmundry.

Community based Eco Tourism at Coringa Mada Forest, Coringa Village of Tallarevu Mandal:

The V&E Officials have noticed that the Wildlife Wing of Forest Department is organizing community based Eco- Tourism at Coringa Mada Forest. Here the Forest Department is organizing (9) tourist boats with (6) to (30) member seating capacity and one Jet Ski (Water Scooter).

The V&E officials along with Police & Revenue Department officials verified the above boating point on 19.11.2017. On verification, it was noticed that the following boats are present at that time.

1. Godavari Boat (Working)
2. Jahnavi Boat (Working)
3. Sea Boat (Working)
4. Vanya Boat (Working)
5. Indian Skimmer Boat (Under Repair)
6. Sand Piper Boat (Under Repair)
7. VanaRakshak Boat (under Repair)

In addition to the above, one private boat "Blue Lagoon" and a Jet Ski (Water Scooter) were also present. All the above boats are being operated by licensed boat drivers by taking proper safety measures.

On further verification, it was noticed that all the above eight boats of the Forest Department and one private boat and one Jet Ski are being operated without obtaining registration from the Executive Engineer, Irrigation Department, Dowleswaram or Port officer (as they used to go up to sea mouth)

The boats were seized by the Revenue officials under a cover of Panchanama and the Forest Department officials were advised not to operate till they get registered with the Boats Superintendent, Dowleswaram, Rajahmundry.

The V&E Officials have observed that the Forest Department is operating the boats without proper registration from the competent authorities. The Forest Range officer, I/c. Coringa WLM Range, Kakinada has stated that he has contacted the Port Authorities and Fisheries Department officials for registration of the boats but he failed to produce the relevant records. The charged officer did not approach the Executive Engineer, Irrigation Department, Dowleswaram who is the competent authority for registration of boats in the irrigation Canals. The charged officer has allowed a private person to keep his boat without any authorization from higher authorities. The Forest Range officer, i/c Coringa WLM Range, Kakinada has also stated that the Jet Ski was brought for trail but the EDC authorities are allowing the tourists for Rs. 300/- trip by selling tickets. As such, the version of the charged officer is not acceptable.

It is evident from the above that during the tenure of the charged officer that he had shown gross negligence in duties by slack supervision of community based Eco-tourism activities and allowed the tourism Boats without registration from the Executive Engineer, Dowleswaram at the cost of safety of the Tourists at Community based Eco-tourism at Coringa Mada Forest, Coringa (V), Tallarevu (M), and that he allowed a private Boat at EDC without obtaining any permission from the higher authorities and also the Forest Range officer, i/c. Coringa WLM Range, Kakinada has failed to restrict the EDC authorities from allowing tourists on Jet Ski which was brought for the purpose of trial run. The charged officer has failed to proper management of activities of EDC in Coringa WLM Range, Kakinada.

Thus, the charged officer has failed to discharge his **general duties of Forest Officer under Section 148 of A.P Forest Department Code and failed to attend the legitimate duties and responsibilities of Forest Range officer as envisaged under Section 155 of A.P Forest Department Code** and thereby violated the provisions of the A.P. Forest Act, 1967 and A.P Wildlife Protection Act, 1972 Forest Conservation Act, 1980 as well as Canals and Public Ferries Act, 1890. **Hence, the charge**.
